YouLoveMe.com Free Online Dating and Social Networking Site for Singles Get Paid To Date on "YouLoveMe.com" For friends, love, or money, YouLoveMe.com is an incentive-based next generation, evolutionary, social media progression mixing free online dating and social networking all in one place. Home of the "Most Eligible Bachelor Video Profile Dating Game Contest" The newly redesigned You Love Me mixes the best social networking features with traditional online dating for browsing our free personals ads for singles. This creates the latest social networking progression offering friendship, free dating, and matchmaking. Here you can connect with friends, make money with your own banner ad on MyPage and meet your true love if you are single. The personals are offered to you 100% totally free. You do not need a credit card on this free online dating / social networking site. Please refer your friends. You Love Me was designed and programmed by a Rutgers University Engineering Alumni. Your source for free online dating personal ads, photo rating, personality test, instant messaging, video chat, video profiles, video blogs, member autobiographies, memories, stories, blogs, social networking, classifieds ads, recommendations, podcasts and music. Thank You
