There are many ways to improve our writing skills. I found that my writing skills are bad and now I am trying hard to improve it. Writing blog is one of the way to improve the writing skills and also laguages. This is the first time I write my blog in English because usually I wrote my blog in Mandarin.

In Business Communication lecture, students were required to do some research on POWA. After signed up as a member, I realized this website was interesting and it could helped people to wrote out the better project paper.

I really wish to improve my writing skills and I hope this is one of the way to improve it.
