He's my pet, now call me Master  
I crack my whip and tell him faster  
Our fingers rush  
Our lips brush  
Each touch creating friction  
You are mine now I whisper with conviction  
I throw him down and get on top  
Our movements never stop  
He hits the right spot as our thoughts spun  
I think we just might...  
Come with me  
And you will see  
What a woman I can truly be  
To my place we will flee  
You look like my ex  
And I don't care, tonight we're having...  
Sex on the beach is the best drink  
It's better than you could ever think  
Throw a few back and the night will pass  
Tonight you're getting laid in...  
The ass next to me is the guy I'll hook up with  
Because them being bad in bed is just a myth  
Kinky is what they do best after a few kegs  
Tonight I just let him finish between my...  
Legs shaky, hearts racing  
Our bodies anticipating  
Tonight's the night we make love  
I just hope he brought the...  
Gloves in the winter time, warm and fuzzy  
Snuggled up close to the one who loves me  
When all is well and all is done  
This will be another night of fun  
Tonight I don't think I'm out of luck  
I think tonight we're going to...
